

**East Midlands
Building Consultancy**

We love success

The journey so far:

We have completely altered the way we work. Hopefully you will have noticed that we provide same day responses to all our enquiries including the checking of building regulation applications.

We now give you a log of our site inspections to keep on site

Next Phase:

Newark and Sherwood District Council are joining the East Midlands Building Consultancy on 1 April 2016

This will provide the best and most consistent service across the districts

We are upping our game when it comes to inspecting sites.

We carry out the range of inspections to help you complete work to a high standard and will call the same day

Make Applications and Pay On-Line:

We have gone live with our new website and would appreciate your feedback.

You can make an application and pay on-line in one seamless process.

Go to www.eastmidlandsbc.com

You can text in your site inspection requests to:

07800 002 185 (Please provide address and date required)

How to contact us:

 **0333 003 8132**

Who does what?

Danielle Burman
Business & Marketing Officer

Contact me for instant quotations

Are you a high performing builder or agent? We could award you 'gold star' status!

Fiona Selvage
Building Control Administrator

Contact me for information about your application or a site history

I can help you if you did not make a building regulation application

We are searching out the best agents and builders in the area

Do you always carry out your work to the highest standard and would you want to be awarded our gold star status?

This gives you the opportunity to use the logo on your stationery and you will be featured on our bright and shiny new web site

The gold star status applies to:

- Architects
- Surveyors
- Builders/contractors
- Structural Engineers
- Architectural technicians

We also want to encourage agents to join our Partnership scheme. This schemes allow you to submit all your building regulation applications to the East Midlands Building Consultancy even if they fall outside our area

Don't forget we check your plans on the day they are submitted

We love success

STOP PRESS!

Our new building control manager, Heather Jones, starts with us on 20 April 2016

Heather is an experienced building control manager who joins us from Powys.

Heather and will be driving forward more improvements to our services

NEW WEB SITE!

Take a look at our new web site— www.eastmidlandsbc.com

This is what can you do on the web site:

- Make an application and pay in one transaction
- View applications—current and historical
- Track your applications - an e-mail alert every time we change the application status
- Look at the list of Gold Star builders and agents
- Take a look at our guidance notes
- Book a site inspection
- Find out how your clients can regularise if they did not get building regulation approval

We love success
