

**Newark and Sherwood Submission Amended
Core Strategy Development Plan Document**

**Integrated Impact Assessment and Habitats
Regulations Assessment Review of the Final
Modifications**

June 2018

Introduction

Following the submission of the Amended Core Strategy Development Plan Document (DPD) to the Secretary of State on 29 September 2017 and its subsequent Examination, by an Independent Planning Inspector, between the 1st and 2nd February 2018 a range of 'minor' and 'main' modifications to the Submission DPD have been identified.

The minor modifications relate to minor textual and grammatical amendments, whilst the main modifications concern amendments to the wording of policies which are considered necessary for the DPD to be sound in planning terms. The proposed main and minor modifications are detailed within the Final Modifications document which is available through the link below.

The proposed modifications have been subject to review in terms of the implications for the Integrated Impact Assessment (IIA) and Assessment under the Habitats Regulations (HRA). This document details the outcome of this review with each of the proposed modifications being assessed. No implications for the HRA were identified. Modifications with implications for the IIA are assessed in Appendix 1. The review has concluded that the modifications have positive implications overall.

The modifications below are not expressed in the conventional form of ~~striketrough~~ for deletions and underlining for additions of text as this protocol has already been used to articulate the changes between the Adopted Core Strategy (2011) and the Publication Amended Core Strategy as submitted to the Secretary of State. The modifications proposed here will therefore utilise ~~double striketrough~~ for deletions and double underlining for additions of text occurring since the submission of the Publication Amended Core Strategy.

The page numbers and paragraph numbering below refer to the Publication Amended Core Strategy submission document which contains the deletions and additions submitted to the Inspector (CS/01). Where policies or paragraphs break across pages, the page number given refers to where the policy or paragraph starts. The references in brackets refer to the suggested main modifications (MM) and clarification/minor amendments (CMA) put before the Inspector as part of the Regulation 22 Statement of Consultation.

Appendix 1 – Modifications which affect assessment against IIA Objectives	38

Final Proposed Modifications

Reference	Document Reference	Proposed Modification	Reason	Any further implications for the IIA?	Any further implications for the HRA?
MM/0001 (CMA/0002)	Para 4.17 Page 26	Amend the first sentence of para 4.17 to read: In seeking to meet the District’s Objectively Assessed Housing Need (OAN), the District Council must plan for <u>a minimum of</u> 9,080 dwellings over the Plan period.	For clarity	This modification simply clarifies the intention of the policy and does not change its effects. This has no implications for the assessment of Spatial Policy 2 in the IIA.	This modification simply clarifies the intention of the policy and does not change its effects. This has no implications for the HRA.
MM/0002 (CMA/0002) (CMA/0003)	Spatial Policy 2 Page 28	Amend the first sentence of the second paragraph of Policy SP2 to read: The housing requirements for Newark & Sherwood District between 2013 and 2033 are <u>a minimum of 9080</u> dwellings. Amend Policy SP2, paragraph between the housing and employment tables, first sentence to read: The employment land requirement for Newark & Sherwood District between 2013 and 2033 <u>is a minimum of</u> 83.1 hectares	For clarity	This modification simply clarifies the intention of the policy and does not change its effects. This has no implications	This modification simply clarifies the intention of the policy and does not change its effects. This has no implications

				for the assessment of Spatial Policy 2 in the IIA.	for the HRA.
MM/0003 (MM/0001)	Spatial Policy 3 Page 30	<p>Amend Spatial Policy 3 Rural Areas to read: The District Council will support and promote local services and facilities in the rural communities of Newark & Sherwood. Local housing need will be addressed by focusing housing in sustainable, accessible villages. The rural economy will be supported by encouraging tourism, rural diversification, and by supporting appropriate agricultural and forestry development. The countryside will be protected and schemes <u>to enhance heritage assets</u>, to increase biodiversity, enhance the landscape and, in the right locations, <u>increase woodland cover</u> will be encouraged.</p> <p>Beyond Principal Villages, proposals for new dev considered against the following criteria:</p> <ul style="list-style-type: none"> • <i>Location</i> - new development should be within the main built-up areas of villages, which have local services and <u>sustainable</u> access to Newark Urban Area, Service Centres or Principal Villages <u>and have a range of local services themselves which address day to day needs. Local services include but are not limited to Post Office/shops, schools, public houses</u> 	To provide clarity on the suitable location of new development and policies relating to local housing need.	This modification affects the assessment of Spatial Policy 3 against the Housing Objective of the IIA. See Appendix 1 for details.	This modification has no implications for the HRA.

		<p><u>and village halls;</u></p> <ul style="list-style-type: none"> • <i>Scale</i> - new development should be appropriate to the proposed location and small scale in nature; • <i>Need</i> - Employment and tourism which requires a rural/village location <u>are sustainable and meet the requirements of the relevant Core Policies.</u> New or replacement facilities to support the local community. Development which supports local agriculture and farm diversification. New housing where it helps to meet identified proven local need <u>support community facilities and local services.</u> <u>Neighbourhood Plans may set detailed policies reflecting local housing need, elsewhere housing schemes of 3 dwellings or more should meet the mix and type requirements of Core Policy 3 and reflects local need in terms of both tenure and house types;</u> • <i>Impact</i> - new development should not generate excessive car-borne traffic from out of the area. New development should not have a detrimental impact on the amenity of local people nor have an undue impact on local infrastructure, including 			
--	--	--	--	--	--

		<p>drainage, sewerage systems and the transport network; <u>and</u></p> <ul style="list-style-type: none"> • <i>Character</i> - new development should not have a detrimental impact on the character of the location or its landscape setting. <p>Within the main built up area of villages consideration will also be given to schemes which secure environmental enhancements by the re-use or redevelopment of former farmyards/farm buildings or the removal of businesses where the operation gives rise to amenity issues. The scale of such enabling development should be appropriate to the location of the proposal.</p> <p><u>Within the main built up area of settlements which do not meet the locational criterion of this policy but are well related to villages that do, consideration will be given to the infilling of small gaps with 1 or 2 dwellings so long as this does not result in the joining of outlying areas into the main built up areas of the village in question, or the coalescence with another village. Such development will need to comply with the scale, need, impact and character criteria of this policy.</u></p>			
--	--	--	--	--	--

		<p>Development away from the main built up areas of not in villages or settlements, in the open countryside, will be strictly controlled and restricted to uses which require a rural setting, such as Agriculture and Forestry Policies to deal with such applications are set out in the <u>Allocations & Development Management DPD</u>. Consideration will also be given to the re-use of rural buildings of architectural merit. The Allocations & Development Management DPD will set out policies to deal with such applications.</p> <p><u>Where Neighbourhood Plans define village envelopes, development will only be supported beyond them if they meet the requirements of relevant policies within the Core Strategy or Allocations & Development Management DPD.</u></p>			
MM/0004	Para 4.25 Page 32	<p>Amend paragraph 4.25 to read: <u>In implementing Spatial Policy 3 its locational criteria supports the development of sites in sustainable accessible villages</u> refers to the main built up area of a village. For the purposes of implementation and <u>In decision making terms this means locations within the existing built</u></p>	To provide clarity on the suitable location of new development.	This modification simply clarifies the intention of the policy and does not change its	This modification simply clarifies the intention of the policy and does not change its

	<p><u>extent of the village, which includes dwellings and their gardens, commercial premises, farm yards and community facilities. It would not normally include undeveloped land, fields, paddocks or open space which form the edge of built form. would normally refer to the buildings and land which form the core of the village where most housing and community facilities are focused. Often villages have outlying development which, whilst part of the village, does not form part of the 'main built up area'; proposed new development which results in the joining of such areas to the main built up area should be resisted. It is not proposed to identify <u>define the extent of villages covered in Spatial Policy 3 by way of village envelopes</u> the main built up areas of villages in our Core Strategy or Allocations & Development Management DPD. However, the District Council will work with local communities to identify the characteristics of their village which they feel should be protected. Such work will be contained within <u>Neighbourhood Plans and Village Design Statements (VDS) or Parish Plans.</u> This work could include the identification of the main built up areas of the village <u>envelopes and where this is the case Spatial Policy 3 supports this approach.</u> <u>Neighbourhood Plans when 'made' become part of the development plan and</u></u></p>		<p>effects. This has no implications for the assessment of Spatial Policy 3 in the IIA.</p>	<p>effects. This has no implications for the HRA.</p>
--	---	--	---	---

		providing the requirements for Supplementary Planning Documents are followed, a VDS or the Planning element of the Parish Plan could be adopted as a Supplementary Planning Document by the District Council and be a material consideration in the determining of Planning Applications.			
MM/0005 (MM/0002)	Para 4.26 Page 32	<p>Amend Paragraph 4.26 to read:</p> <p><u>The Council considers that in locations with local facilities and services, additional development can support their continued existence. Limited Development within the setting of this policy requires applicants to demonstrate the services it will support, and the housing need within the area. As with all planning policy, Spatial Policy 3 is intended to serve the public interest rather than that of individuals and consequently the requirement to reflect local need in relation to new dwellings to which it refers must be that of the community rather than the applicant. It is accepted that the two may align where, for example, a lack of a particular type of housing in a community also reflects the needs of an applicant. The Policy is not intended to cater for individuals desire to live in particular locations or in particular types of accommodation, beyond those exceptions identified in national and local planning policy. The Council has conducted a detailed assessment of the types of</u></p>	To provide clarity on local housing need.	This modification simply clarifies the intention of the policy and does not change its effects. This has no implications for the assessment of Spatial Policy 3 in the IIA.	This modification simply clarifies the intention of the policy and does not change its effects. This has no implications for the HRA.

		<p>housing needed within different parts of the district and applicants should refer to this for guidance. Neighbourhood Plans may also set out more detailed policies on local housing requirements. The policy makes provision for detailed policies in Neighbourhood Plans to set policies on local housing need (including mix and type) elsewhere for larger schemes (i.e. for those of 3 or more dwellings) the Council expects new development to satisfy the mix and type requirements of Core Policy 3. It is recognised that for schemes of one or two dwellings it will not be possible to require a particular type or mix of dwellings.</p>			
MM/0006	Spatial Policy 4B Page 35	<p>Amend the last paragraph to read: Other appropriate development in the Green Belt not identified in this policy will be judged according to national Green Belt policy.</p>	For clarity	This modification simply clarifies the intention of the policy and does not change its effects in any way. This has no implications for the assessment of Spatial Policy 4B in the IIA.	This modification simply clarifies the intention of the policy and does not change its effects in any way. This has no implications for the HRA.

MM/0007 (CMA/0006)	Spatial Policy 7 Page 43	<p>Amend first sentence of third paragraph to read: The District Council will safeguard locations of highway or public transport schemes identified within the Nottinghamshire Local Transport Plan <u>and its implementation plan.</u></p>	To reflect the how the Local Transport Plan operates.	This modification provides extra detail and will not significantly alter the effects of the policy. This has no implications for the assessment of Spatial Policy 7 in the IIA.	This modification provides extra detail and will not significantly alter the effects of the policy. This has no implications for the HRA.
MM/0008 (MM/0003)	Spatial Policy 9 Page 47	<p>Amend bullet point 8 to read: Not lead to the loss of locally important open space <u>and views</u> or, in the case of housing and employment, other locally important community facilities (unless adequately replaced); Add new bullet point 10: <u>The allocation of sites for development will not lead to the sterilization of known mineral resources as defined within the Minerals Local Plan.</u></p>	To provide clarity on locally important views. Bullet point 10 was added to clarify the position of the Plan in relation to minerals.	This modification affects the assessment of Spatial Policy 9 against the Landscape and Land Use Objective and the Historic Environment And Cultural Assets Objective of the IIA. See	Although this modification strengthens the policy to some extent, this has no implications for the HRA.

				Appendix 1 for details.	
MM/0009	Core Policy 2 Page 53	Amend 2nd sentence to read: Such sites should be in or adjacent to the main built-up area of villages and meet the requirements set out in Spatial Policy 3 Rural Areas relating to Scale, Need, Impact and Character of Development.	For clarity following proposed MM/0003	This modification simply clarifies the intention of the policy and does not change its effects in any way. This has no implications for the assessment of Core Policy 2 in the IIA.	This modification simply clarifies the intention of the policy and does not change its effects in any way. This has no implications for the HRA.
MM/0010 (MM/0004)	Core Policy 3 Page 54	Amend third paragraph to read: The District Council will seek to secure new housing development which adequately addresses the housing need of the District, namely: <ul style="list-style-type: none"> • Family housing of 3 bedrooms or more <u>Family housing of 3 bedrooms or more</u> • Smaller houses of 2 bedrooms or less. • Housing for the elderly and disabled population. <u>Particular emphasis will be placed on securing smaller houses of 2 bedrooms or less and those for housing for elderly and disabled population.</u>	The modification reflects discussions as part of the hearing sessions to state first the full range of housing need and secondly highlight NSDC priorities.	This modification affects the assessment of Core Policy 3 against the Housing Objective of the IIA. See Appendix 1 for details.	This modification has no implications for the HRA.

MM/0011	Para 5.15	<p>Amend paragraph 5.15 to read:</p> <p>Newark and Sherwood has a long tradition of Gypsies and Travellers living in certain locations in the District, mainly in Newark, but also in Ollerton & Boughton and rural locations across the District. <u>The Regional Plan sets out the future pitch requirement for the District, until 2012, of 84 pitches. This is based on research in the Nottinghamshire Gypsy and Traveller Accommodation Needs Assessment. Through the Gypsy and Traveller Accommodation Assessment (June 2016) (GTAA) a need for 40 pitches has been identified between 2013 – 2028. As a result of permissions having been granted since 2013, 28 additional pitches need to be provided over the rest of the plan period.</u> Since the Assessment was published the District Council has made considerable progress in meeting this target. In total we have granted permission for 32 new pitches over this period which is around 38% of the total required. The breakdown of permissions is as follows:</p> <p>Table 1</p> <table border="1" data-bbox="600 1331 1189 1390"> <thead> <tr> <th data-bbox="600 1331 987 1378">Location of new pitch provision</th> <th data-bbox="987 1331 1189 1378">Pitches granted</th> </tr> </thead> <tbody> <tr> <td> </td> <td> </td> </tr> </tbody> </table>	Location of new pitch provision	Pitches granted			<p>The modification responds to the results of discussions which took place during and following the examination, and are necessary for the content of the Plan to be made sound.</p>	<p>This modification reflects the requirement of the District Council to undertake a new Gypsy and Traveller Accommodation (GTAA) Assessment, as a result of the Examination of the Amended Core Strategy. While the production of a new GTAA may be relevant to IIA objectives, this modification in itself is not.</p>	<p>This modification has no implications for the HRA.</p>
Location of new pitch provision	Pitches granted								

		Newark Urban Area	3			
		Ollerton & Boughton	29			
		Total	32			
MM/0012	Para 5.16	<p>Amend paragraph 5.16 to read:</p> <p><u>Since 2007 over 100 additional pitches have been delivered in Newark, Ollerton and in rural locations across the District, which is by far the highest in the East Midlands. Whilst this number of pitches has more than met the supply for the previous plan period, it is now the responsibility of the Council to ensure that supply up until 2033 2028 is met. The specific level of need will be identified by the production of a new Gypsy & Traveller Needs Assessment which will be produced during 2018/19 and will inform the securing of future pitches. The Local Development Scheme will be updated to reflect the timescales required for this work. The approach is to secure such pitches through every avenue open to the Council. Core Policy 4 sets out the various ways that future need will be secured, including through allocations as part of the Allocations & Development Management DPD. It is proposed that given the balance of recent permissions - 100% in rural</u></p>		<p>The modification responds to the results of discussions which took place during and following the examination, and are necessary for the content of the Plan to be made sound.</p>	<p>This modification reflects the requirement of the District Council to undertake a new Gypsy and Traveller Accommodation (GTAA) Assessment, as a result of the Examination of the Amended Core Strategy. While the production of a new GTAA may be relevant to IIA objectives, this modification in itself is not.</p>	<p>This modification has no implications for the HRA.</p>

		<p><u>locations in the Southwell and Sherwood Areas - that the Council will secure additional provision in and around Newark Urban area where most Gypsies and Travellers live in the District. This is not to say that other locations are not appropriate provided they meet the policy requirements set out in Core Policy 5.</u></p>			
MM/0013	Core Policy 4	<p>Amend Core Policy 4 to read:</p> <p>Core Policy 4</p> <p>Gypsies & Travellers and Travelling Showpeople - New Pitch Provision</p> <p>The District Council will, with partners, address future Gypsy, and Travellers and Travelling Showpeople pitch requirements provision for the District which is consistent with the East Midlands Regional Plan most up to date Gypsy and Traveller Accommodation Assessment (GTAA) <u>through all necessary means, including:</u></p> <ul style="list-style-type: none"> • <u>The allocation of new sites through the development plan;</u> • <u>The granting of planning permission for pitches on new sites in line with Core Policy 5;</u> • <u>The granting of planning permission for the provision of additional pitches at existing sites through</u> 	<p>The modification responds to the results of discussions which took place during and following the examination, and are necessary for the content of the Plan to be made sound.</p>	<p>This modification reflects the requirement of the District Council to undertake a new Gypsy and Traveller Accommodation (GTAA) Assessment, as a result of the Examination of the Amended Core Strategy. Appendix 1 – Modifications which affect assessment against IIA Objectives

This appendix sets out the modifications to the Amended Core Strategy which affect assessment against IIA Objectives resulting both from the Examination of the document by an independent Inspector, and also those resulting from the Inspector’s subsequent comments.

The modifications below are not expressed in the conventional form of ~~striketrough~~ for deletions and underlining for additions of text as this protocol has already been used to articulate the changes between the Adopted Core Strategy (2011) and the Publication Amended Core Strategy as submitted to the Secretary of State. The modifications proposed here will therefore utilise ~~double striketrough~~ for deletions and double underlining for additions of text occurring since the submission of the Publication Amended Core Strategy.

The page numbers and paragraph numbering below refer to the Publication Amended Core Strategy submission document which contains the deletions and additions submitted to the Inspector (CS/01). Where policies or paragraphs break across pages, the page number given refers to where the policy or paragraph starts. The references in brackets refer to the suggested main modifications (MM) and clarification/minor amendments (CMA) put before the Inspector as part of the Regulation 22 Statement of Consultation.

Reference	Document Reference	Proposed Modification	Comments on assessment against IIA Objectives
MM/0003 (MM/0001)	Spatial Policy 3	Amend Spatial Policy 3 Rural Areas to read: The District Council will support and promote local services and facilities in the rural communities of Newark & Sherwood. Local housing need will be addressed by focusing housing in sustainable, accessible villages. The rural economy will be supported by encouraging tourism, rural diversification, and by supporting appropriate agricultural and forestry development. The countryside will be protected and schemes <u>to enhance heritage assets</u> , to increase biodiversity, enhance the landscape and,	The IIA assessed the amended Spatial Policy 3 against the policy in the Adopted Core Strategy and against approach set out in the PA – Strategy document. The policy in the Publication Amended Core Strategy scored more positively than the other two policies against the ‘historic environment and cultural assets’ and the ‘sustainable communities’ objectives. All three scored equally against the other

		<p>in the right locations, <u>increase</u> woodland cover will be encouraged.</p> <p>Beyond Principal Villages, proposals for new development be considered against the following criteria:</p> <ul style="list-style-type: none"> • <i>Location</i> - new development should be within the main built up areas of villages, which have local services and <u>sustainable</u> access to Newark Urban Area, Service Centres or Principal Villages <u>and have a range of local services themselves which address day to day needs. Local services include but are not limited to Post Office/shops, schools, public houses and village halls;</u> • <i>Scale</i> - new development should be appropriate to the proposed location and small scale in nature; • <i>Need</i> - Employment and tourism which requires a rural/village location <u>are sustainable and meet the requirements of the relevant Core Policies.</u> New or replacement facilities to support the local community. Development which supports local agriculture and farm diversification. New housing where it helps to meet 	<p>objectives.</p> <p>Spatial Policy 3, as set out here, is somewhat more permissive of residential development than the policy assessed previously and therefore receives a higher score against the housing objective.</p>
--	--	---	--

		<p>identified proven local need support <u>community facilities and local services.</u> <u>Neighbourhood Plans may set detailed</u> <u>policies reflecting local housing need,</u> <u>elsewhere housing schemes of 3 dwellings</u> <u>or more should meet the mix and type</u> <u>requirements of Core Policy 3 and reflects</u> <u>local need in terms of both tenure and</u> <u>house types;</u></p> <ul style="list-style-type: none"> • <i>Impact</i> - new development should not generate excessive car-borne traffic from out of the area. New development should not have a detrimental impact on the amenity of local people nor have an undue impact on local infrastructure, including drainage, sewerage systems and the transport network; <u>and</u> • <i>Character</i> - new development should not have a detrimental impact on the character of the location or its landscape setting. <p>Within the main built up area of villages consideration will also be given to schemes which secure environmental enhancements by the re-use or redevelopment of former farmyards/farm buildings or the removal of businesses where the operation gives rise to amenity issues. The scale</p>	
--	--	--	--

	<p>of such enabling development should be appropriate to the location of the proposal.</p> <p><u>Within the main built up area of settlements which do not meet the locational criterion of this policy but are well related to villages that do, consideration will be given to the infilling of small gaps with 1 or 2 dwellings so long as this does not result in the joining of outlying areas into the main built up areas of the village in question, or the coalescence with another village. Such development will need to comply with the scale, need, impact and character criteria of this policy.</u></p> <p>Development away from the main built up areas of <u>not in villages or settlements</u>, in the open countryside, will be strictly controlled and restricted to uses which require a rural setting, such as Agriculture and Forestry <u>Policies to deal with such applications are set out in the Allocations & Development Management DPD.</u> Consideration will also be given to the re-use of rural buildings of architectural merit. The Allocations & Development Management DPD will set out policies to deal with such applications.</p> <p><u>Where Neighbourhood Plans define village envelopes, development will only be supported beyond them if they meet the requirements of relevant policies within the Core Strategy or</u></p>

		<u>Allocations & Development Management DPD.</u>	
MM/0008 (MM/0003)	Spatial Policy 9 Page 47	<p>Amend bullet point 8 to read: Not lead to the loss of locally important open space <u>and views</u> or, in the case of housing and employment, other locally important community facilities (unless adequately replaced);</p> <p>Add new bullet point 10: <u>The allocation of sites for development will not lead to the sterilization of known mineral resources as defined within the Minerals Local Plan.</u></p>	<p>The IIA assessed the amended Spatial Policy 9 against the policy in the Adopted Core Strategy and against approach set out in the PA – Strategy document.</p> <p>The policy taken forward in the Amended Core Strategy already scores more positively against the Historic Environment and Cultural Assets Objective, and scores equally against the Landscape and Land Use Objective when compared with the other two approaches. Adding the reference to ‘views’ would contribute to fulfilling these objectives, making the effects of the policy more positive.</p> <p>The policy taken forward in the Amended Core Strategy scores equally with one alternative and more positively than the other alternative against the Natural Resources Objective. Adding the reference to avoiding ‘the sterilization of known mineral resources’ would contribute to fulfilling this objective, making the effects of the policy more positive.</p>
MM/0010 (MM/0004)	Core Policy 3 Page 54	<p>Amend third paragraph to read:</p> <p>The District Council will seek to secure new</p>	<p>The IIA assessed the amended Core Policy 3 against the policy in the Adopted Core Strategy.</p>

		<p>housing development which adequately addresses the housing need of the District, namely:</p> <ul style="list-style-type: none"> • Family housing of 3 bedrooms or more <u>Family housing of 3 bedrooms or more</u> • Smaller houses of 2 bedrooms or less. • Housing for the elderly and disabled population. <p><u>Particular emphasis will be placed on securing smaller houses of 2 bedrooms or less and those for housing for elderly and disabled population.</u></p>	<p>The policy taken forward in the Amended Core Strategy already scores more positively against the Housing Objective. The amendments set out here would contribute to fulfilling this objective, making the effects of the policy more positive. As it already scores +++, the score cannot increase.</p>
MM/0016 (MM/0007)	Core Policy 10 Page 78	<p>Amend 5th bullet point to read: Where appropriate having applied the Sequential Test move on to apply the Exceptions Test, in line with national guidance. <u>In those circumstances where the wider Exceptions Test is not required proposals for new development in flood risk areas will still need to demonstrate that the safety of the development and future occupants from flood risk can be provided for, over the lifetime of the development;</u> and</p>	<p>Retaining the policy in the Adopted Core Strategy without amendment was not considered as an option because it was out of date. The policy in the Publication Amended Core Strategy was assessed against simply retaining the existing policy minus the carbon reduction targets.</p> <p>The policy taken forward in the Amended Core Strategy already scores more positively against the Water Management and Flood Risk Objective and the Climate Change Objective. The amendments set out here would contribute to fulfilling these objectives, making the effects of the policy more positive. As it already scores +++, the score cannot increase.</p>
MM/0022	SoAP 2	Amend bullet point 1 to read:	Although the supporting text of SoAP 2 was

(MM/0011)	Page 127	<ul style="list-style-type: none"> Support the development of new educational and research facilities <u>and additional student accommodation</u> at the Brackenhurst Campus 	<p>updated to refer to the Memorandum of Understanding agreed between Nottingham Trent University and the District Council, the text itself remained unchanged in the Publication Amended Core Strategy. It was therefore not subject to IIA.</p> <p>This amendment slightly improves the policy when assessed against the Housing Objective. As no other amendments are being proposed, the policy as amended scores slightly more positively than retaining the unamended policy.</p>
MM/0023 (MM/0012 CMA/0015)	ShAP 4 Page 141	<p>Add new final criterion to point 10 of ShAP4 to read: <u>viii. Coal Mining Risk Assessment or equivalent report addressing any potential coal mining legacy issues</u></p> <p>Amend Section 12 vi to read: <u>vi. Safeguarding of a route for alternative vehicular access to the new Sherwood Forest Visitor Centre;</u></p>	<p>ShAP 4 was assessed alongside ShAP3 against the option of allowing the former colliery site to be restored in line with the requirements of its minerals consent and not introducing ShAP3 and ShAP4</p> <p>The new policies scored negatively against the alternative in terms of the Landscape and Land Use Objective of the IIA. The proposed modifications would contribute to fulfilling the objective, making the effects of the new policies more positive.</p>
MM/0024 (CMA/0018)	Appendix F Page 174	<p>Include a monitoring Indicator trigger and target in Appendix F for both policies SP2 and SP5: <u>Indicator: Where the five year land supply position fall below 5 years for a period of two consecutive years, the LPA will seek to assist the owners of the</u></p>	<p>While Appendix F was not subject to IIA as it concerns the monitoring of outcomes and does not set policy, this modification scores positively against the housing objective.</p>

		<p><u>Opportunity sites to unlock delivery. Measures could include securing alternative sites for the existing use, granting Permission in Principle on brownfield sites, seeking Government funding to assist in the release of the site, consider purchasing the site on behalf of the Council's Development Company or Compulsory Purchase.</u></p> <p><u>Target: To deliver the approach to the Spatial Strategy</u></p>	
CMA/0003 (CMA/0005)	Para 4.38 Page 38	<p>Update and amend Para 4.38 to read:</p> <p><u>In addition, a number of sites which were allocated or had planning permission previously, which are still considered developable but are subject to uncertainty over timescales for delivery, will be have been identified as Opportunity Sites. These will be are detailed within the Amended Allocations & Development Management DPD. Where it becomes clear through the monitoring process that delivery rates are dropping the Council will work with landowners and developers to try to actively resolve delivery issues where this will bring forward development on these Opportunity Sites. Measures could include securing alternative sites for the existing use, granting Permission in Principle on brownfield sites, seeking Government funding to assist in the release of the site, consider purchasing the site on behalf of the Council's Development Company or Compulsory Purchase.</u></p>	<p>Retaining the original Spatial Policy 5 was not being assessed as an option because it was a policy detailing the allocation of the three strategic sites around Newark, and it was considered that this policy should more appropriately consider the wider delivery strategy for the Plan. Also, the new strategic site at the former Thoresby Colliery needed to be taken into account. Therefore, amending the policy in the way set out in the PA – Strategy was being assessed against amending the policy in the way set out in the Publication Amended Core Strategy.</p> <p>The policy taken forward in the Amended Core Strategy already scores more positively against the Housing Objective. The amendments set out here would contribute to fulfilling these objectives, making the effects of the policy more positive. As it</p>

CMA/0006	Para 5.13 Page 53	<p>Amend paragraph 5.13 to read:</p> <p>..... adaptable to meet the needs of elderly and disabled residents. <u>Where self-contained C2 units are proposed for older persons occupation, these form part of the housing requirement as identified through the Strategic Housing Market Assessment.</u></p> <p>The Study also indicates ...</p>	<p>already scores +++, the score cannot increase.</p> <p>Amending the Core Policy 3 as set out in the Publication Amended Core Strategy was assessed against retaining the original policy.</p> <p>The policy taken forward in the Amended Core Strategy already scores more positively against the Housing Objective. The amendments set out here would contribute to fulfilling these objectives, making the effects of the policy more positive. As it already scores +++, the score cannot increase.</p>
