Notes on eligibility for Small Business Rate Relief

Small business rate relief can only be claimed for one property

All hereditaments (business premises) in England occupied by the ratepayer must be listed. It should be noted that, for any particular day, the billing authority will disregard the ratepayer's occupation of **an additional business premises** in England where:

- a) the rateable value in the local non-domestic rating list for that is below **£2,900** and
- b) the aggregate rateable value on that day of all the hereditaments the ratepayer occupies in England is not more than **£19,999**

Qualifying Criteria:

1. The property must appear in the rating list for the year in which relief is being claimed.
2. If the hereditament is already in receipt of Mandatory relief, Small Business Rate Relief will not apply.
3. If a property is unoccupied Small Business Rate Relief will not apply.
4. The current Small Business Rate Relief scheme is for the period up to 2022/23.
5. Any changes to the occupation or rateable value of your property during the financial year may affect your eligibility for Small Business Rate Relief.

The ratepayer must sign the application or a person authorised to sign on behalf of the ratepayer. This means, where the ratepayer is

- a) a partnership, a partner of that partnership;
- b) a trust, a trustee of that trust;
- c) a body corporate, a director of that body, and in any other case, a person duly authorised to sign on behalf of the ratepayer.

Qualifying properties with a rateable value of below £12,000 will be eligible for 100% rate relief.

The amount of relief will decrease on a sliding scale of 1% for £30 rateable value below £15,000 and will have the reduced multiplier applied.

Qualifying properties with a rateable value between £15,000 and £50,999 will receive no relief, but have the reduced multiplier applied.
