Dear S40 (2)

Request for information: RFI-2016-1431

Your request for information about personalised number plates has now been considered. The information held by the Council relevant to your request is set out below:

I have established that the number plate you mentioned, namely N8 SDC, is indeed registered to this Council. Apparently this was obtained at some point in the late 1980's or slightly later, at the time when the Council first had a civic car principally for the use of the Chairman. In 2006 the Council made a decision to dispose of the civic car and the number plate has continued to be used on vehicles in our normal fleet.

Following your request, an extensive search has been made of Council's minutes from 1987 onwards to establish the circumstances around the acquisition of this number plate but none has been found.

This request has been handled under the Freedom of Information Act 2000.

If you have any further queries or concerns about the information provided please do not hesitate to contact us. If we do not hear from you within 40 days, starting the day after the date of this letter, we will consider the request closed.

If following our response to your query you are still dissatisfied you have the right to request an internal review. This will be conducted by the Director of Safety or the Deputy Chief Executive who have not been involved with the request or complaint until this point. Should you wish to proceed to this stage please advise us quoting the reference number at the top of this page.

Should you be dissatisfied with the outcome of any internal review to the Council you have a further right of appeal to the Information Commissioner's Office, details of which can be found on the Information Commissioner's website www.ico.org.uk/

More details of this complaints process are available to view on our website at the following link: www.newark-

Yours sincerely
