Good Morning Britain on ITV is investigating the problem of historic and current abuse by sports coaches and staff against children. I understand LADOs (sometimes known as 'designated officers') within each local authority are notified about such incidents. If you don't have LADOs please supply us with the information in any case.

Please could you provide us with the following:

1. How many sports coaches or people involved in overseeing sports clubs have been referred to your LADO or designated officer, or authority, because of child welfare concerns, broken down by year over the last three full calendar years 2014, 2015 and 2016.
2. Please say which sports were involved.
