Date: 16 December 2016

Dear Sirs

I am writing further to intended litigation against an undertaker of works in respect of a breach of the New Road & Street Works Act 1991, for information on which Utility had an opening notice/permit to carry out street works (excavation) at (or near to) O/S 4 Newbury Road, , Newark, NG24 2GA.

Please review and provide notices from 1st February 2016 which go back 6 years as we are investigating a latent damage to Virgin Media apparatus at this location.

In addition, if it is possible, could you give the date of when resurfacing works (if any) have been carried out by yourselves.

This request for information is made under s.1(1) FOIA 2000 and s.35 DPA 1999.

Thank you in advance for your assistance.

Yours faithfully

S40 (2)

A large black rectangular redaction box covers the signature area, with the text "S40 (2)" written in red at the top left corner of the box.
