Representation number: 107

Site reference: BI/Ho/4 (originally b1/as/1)

On behalf of the Forest Folk Allotment Society.

MATTER 1 – COMPLIANCE AND PROCEDURAL

1. The association has had no correspondence to date in relation to the site allocation from Blidworth parish council or Newark & Sherwood District Council, including the change of status to the site from alternative site to housing allocation. At a general meeting earlier in the year we were led to believe the allotment site was in no danger from the housing allocation. This is in contrast to the Duty to Co-operate and the procedural requirements of the National Planning Policy Framework.

I have attached the notice placed on the site in June with no notification or consultation prior for your information.

Thank you

Blidworth Forest Folk Allotment Society
