Subject: Consultation of the Submission Version of the Kings Clipstone Neighbourhood Plan

Dear Sir/Madam

Thank you for consulting us on the above neighbourhood plan.

Based on the environmental constraints in the area, and in the absence of any site specific allocations, we have no detailed comments to make in relation to the plan. However together with Natural England, English Heritage and Forestry Commission we have published joint advice on neighbourhood planning which sets out sources of environmental information and ideas on incorporating the environment into plans. This is available at the following link:

We will continue to work with your partners to influence the Development Plan Documents in your area.

Kind Regards

Sam Penford
