Please enter your comment or comments on the Submission Kings Clipstone Neighbourhood Plan, together with any suggested amendments below. For each comment made, please indicate to which part of the plan the comment relates (e.g. policy, chapter and/or paragraph number).

In favour of the Submission. Particular importance should be attached to the following:

- ① the provision of community facilities.
- ② Restricting development
- ③ Controlling future housing.
- ④ Traffic volume and speed.
- ⑤ Preserving the 'green lung'.
- ⑥ Public transport for the ageing population.
- ⑦ Preserving what remains of the character of village.
- ⑧ Restricting tourism.

Perhaps the biggest single improvement would be to build the bypass that was proposed — and then shelved on cost grounds — some years ago.

Please indicate if you wish to be notified that the District Council intends to 'make' (formally adopt) the Kings Clipstone Neighbourhood Plan subsequent to examination and referendum.
