Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

*Continued from previous page...*

List here steps you will take to promote all four licensing objectives together.

1.1. All planning for the event shall be in line with recommendations laid out in the online 'Purple Guide' and HSG154 Managing Crowds Safely and shall be planned in strong consultation with local authorities and licensing staff via regular meetings starting no less than 1 month before the proposed start date of any activities on the site.

1.2. The final site layout shall be as agreed with the event health and safety advisor and Security consultant and all statutory authorities (which includes but is not limited to members of the Council events department, Licensing, Highways, Parking, and blue light services.)

1.3. There shall be at least one personal licence holder in each bar whilst the bars are in operation. Furthermore, whenever the premises are open to the public the Designated Premises Supervisor shall be present within the licensed premises.

1.4. Plastic glasses or cans shall be used at the bar. Contents of non-plastic bottles shall be decanted into a plastic glass at point of sale.

1.5. The boundaries of the licensed premises shall be clearly fenced and marked.

1.6. No event shall take place until an Event Management Plan has been submitted to and approved by all other relevant statutory bodies.

1.7. All core event staff and personnel shall be issued with a radio and contact with event control shall be maintained throughout the event.

1.8. Clearly identifiable SIA registered door staff shall be used. Radio contact between them shall be maintained throughout the event.

1.9. All stewards shall wear high visibility jackets or similar and should be clearly identifiable as stewards.

#### b) The prevention of crime and disorder

2.1. The appointed security contractor shall provide SIA registered security staff provision, including the mix of male/female staff that shall be based on a risk assessment carried out no less than one month before any event.

2.2. Outside the permitted hours for alcohol, all alcoholic drinks shall be secured safely to prevent their sale or theft.

2.3. Any patrons displaying signs of drunkenness or use of drugs shall be ejected from the premises where it is safe to do so or admitted to on-site welfare facilities until they are deemed safe to be ejected. Where anti-social behaviour is observed in connection with alcohol or drugs the patron shall be ejected when safe to do so.

2.4. Refusal log books shall be completed for any refusal of the sale of alcohol. There will be one book at every bar and will be made available upon request to officers from Newark & Sherwood District Council, Trading Standards or Nottinghamshire Police.

#### c) Public safety

3.1. Security shall be posted at key locations, as identified within the EMP and agreed with all relevant statutory authorities, around the event site to ensure the protection of adjoining residencies and businesses.

3.2. All drugs or illicit substances found or confiscated on site shall be logged via radio at the point of confiscation and then returned to the event HQ where it will be securely stored and logged in a drugs book which shall be made available upon request to Officers from Nottinghamshire Police. All contraband along with seizure records shall be handed to Nottinghamshire Police at the end of the event.

3.3. A dedicated area in the site, adjacent to the First Aid section, shall be provided for welfare provision to treat and ensure the safety of any vulnerable patrons in the premises.

*Continued from previous page...*

3.4. Adequate medical provision shall be made available in line with calculations from the "Purple Guide" and following a risk assessment carried out by the medical provider.

3.5. An incident book shall be completed for any incident that takes place within the licensed premises. The book will be made available upon request to officers from the Licensing Authority, Trading Standards and Nottinghamshire Police.

3.6. Waste management teams, alongside event staff shall be engaged to ensure the event site is cleaned and returned to its previous condition.

d) The prevention of public nuisance

4.1. Attendees shall be reminded of the residential location via digital media in advance of the event and clear signage throughout the event site will be used to remind and inform attendees of the proximity of residential areas.

4.2. Noise limits shall be agreed with local authority noise management agents and adhered to vigorously. All residents within the area shall be advised, by way of a letter drop, of any use of the premises, no less than one month before any event. A contact number shall be provided in this letter drop for residents to be able to contact the noise management staff to ensure any complaints can be dealt with in a timely fashion.

4.3. Sufficient sanitary facilities shall be made available within the premises to prevent public urination (as per the Event Management Plan).

4.4. Noise limits shall be set in advance. These limits shall be implemented throughout the course of the build, de-rig and live dates.

4.5. The organisers shall monitor on-site dB noise levels and ensure that set noise limits shall be adhered to, with regular reading to be taken and recorded.

4.6. A dedicated festival 'hotline' shall be in place for local residents to contact the festival organisers, enabling them to respond to noise disturbance concerns and react accordingly.

e) The protection of children from harm

5.1. Depending on the specific event, the site will either be restricted to people who are 18 years or older or it will be open to all ages. When applicable, anyone under the age of 18 will need to be accompanied by an adult. 2 people under 18 can be accompanied by one adult (exceptions due to circumstances will be made e.g. single guardians and large family groups). Vigorous ID checks will be carried out at the point of entry and sale for any age restricted products.

5.2. All age restricted sales training undertaken by staff members shall be fully documented and recorded prior to being allowed to sell alcohol.

5.3. The premises shall adopt a 'Challenge 25' policy whereby any person attempting to buy alcohol who appears to be under 25 shall be asked for photographic ID as proof of their age. The only ID that shall be accepted are valid passports and UK driving licences with a photograph or proof of age cards bearing the 'PASS' mark hologram. The list of approved ID may be amended or revised with the prior agreement of Nottinghamshire Police and the Licensing Authority without the need to amend the actual licence.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
