yes ☐ no ☒

Please describe briefly the nature of the proposed variation (please read guidance note 2)

The purpose of this application has two parts which are detailed as follows.

The first part is to extend the licensed area to include the car park of the premises as depicted on the plan attached with the application. The premises has operated a sequence of Temporary Event Notices since 12th December 2023 utilising this outdoor area without issue and the premises would look to utilise the car park area to put on events such as live music and charity events.

The orange areas are the indicative positions of proposed temporary bars. These bars are temporary structures and not permanent fixtures.

The second part of the application is to amend condition 2.3 under Annex 2 which currently states:

"Any noise produced or associated with the regulated entertainment must not be audible at the façade of the nearest residential/commercial or industrial premises."

The proposed variation to this wording is as follows:

"Any noise emanating from the premises in respect of regulated entertainment must not cause a nuisance at the façade of the nearest residential premises."

There are no amendments being made to any hours for licensable activities and therefore boxes A – H, late night refreshment and sale by retail of alcohol have not been completed and the hours are to remain as currently permitted on the premises licence.

The proposed variation to the Premises Licence is unlikely to have an impact on the promotion of the licensing objectives and the operating schedule has been completed accordingly.

Part 4 Operating Schedule

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.

Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:
 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
