Publication Amended Allocations & Development Management Development Plan Document (DPD)

A guidance note has been produced to assist in the completion of this form. Copies have been provided in correspondence and additional copies are available at: Castle House, Libraries in the District and https://www.newark-sherwooddc.gov.uk/aadm-representation/

Newark and Sherwood District Council is seeking your comments on the Publication Amended Allocations & Development Management DPD ('Publication AADMDPD'). Comments received at this stage should be about whether the Plan is legally compliant, sound and whether it has met the duty to cooperate. All representations must be received by the Council by 5pm on 30th December 2022.

This form has two parts- Part A- Personal / Agent Details and Part B- Your Representation(s) and further notification requests. (Please fill in a separate sheet (Part B) for each aspect or part of the Local Plan you wish to make representation on). Documents to support your representations (optional) should be referenced.

Privacy Notice

Apart from your comments below, the personal information you have provided will only be used by Newark & Sherwood District Council in accordance with the UK General Data Protection Regulation and the Data Protection Act 2018 and will not be shared with any third party.

The basis under which the Council uses personal data for this purpose is to undertake a public task.

The information that you have provided will be kept in accordance with the Council's retention schedule, which can be found at: https://www.newark-sherwooddc.gov.uk/dataprotection/

Please note the Council cannot accept anonymous responses. All representations received will be made available for public inspection and therefore cannot be treated as confidential. They will also be:

Published in the public domain;

Published on the Council's website:

Shared with other organisations for the purpose of developing/adopting the Publication AADMDPD and forwarded to the Secretary of State for consideration;

Made available to the Planning Inspector appointed by the Secretary of State to examine the Publication AADMDPD; and

Used by the Inspector to contact you regarding the Examination of the Plan.

When making representations available on the Council's website the Council will remove all telephone numbers, email addresses and signatures.

By submitting your Response Form/representation you agree to your personal details being processed in accordance with these Data Protection Terms.

PART A- Personal / Agent Details

In circumstances where individuals/groups share a similar view, it would be helpful to the Inspector to make a single representation, stating how many people the submission is representing and how the representation was authorised.

¹ The Integrated Impact Assessment (IIA) integrates Sustainability Appraisal (SA), Strategic Environmental Assessment (SEA), Equalities Impact Assessment (EqIA) and Health Impact Assessment (HIA). Sustainability Appraisals (SA) are a requirement of the Planning and Compulsory Purchase Act 2004 and Strategic Environmental Assessments (SEA) are required by European Directive EC/2001/42, which was transposed into UK law by the Environmental Assessment Regulations for Plans and Programmes (July 2004). The EqIA is a way of demonstrating the District Council is fulfilling the requirements of the Public Sector Equality Duty contained in section 149 of the Equality Act 2010. HIA is a recognised process for considering the health impacts of plans and undertaking this type of assessment is widely seen as best practice.

If you wish to provide supplementary information to support your details, please ensure they are clearly referenced.
National Trust is concerned that the approach to Sherwood Forest ppSPA, insofar as it relates to Clumber Park SSSI, is not 'effective' in that it is not 'based on effective joint working on cross-boundary strategic matters'. This is because, on the basis of evidence including a Recreational Impact Assessment (RIA) for Clumber Park, it was found that development both within Bassetlaw and within Newark and Sherwood would jointly result in significant impacts on the SSSI, which in turn forms part of the ppSPA. The RIA report states that 17% of new housing within Newark and Sherwood Local Plan (1,487 new homes) would be located within 7.5km of the SSSI boundary. Through joint working between Bassetlaw District Council Natural England and the National Trust, new policy wording was proposed by the Council during the Examination process (see below).

9. Please set out what change(s) you consider necessary to make the DPD legally compliant or soun having regard to the test you have identified at 6 above where this relates to soundness. You we need to say why this change will make the DPD legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise possible.
We request that the Council recognises the potential for housing development to have significant impact on an SSSI at some distance from a site as a result of recreational pressure. Specifically we request the any large developments within the Impact Risk Zone of Clumber Park include an assessment of impact and associated mitigation measures. The following policy wording has been incorporated by Bassetla District Council into its biodiversity policy and may therefore be appropriate:
"proposals of 50 dwellings or more (which includes piecemeal planning applications for less than dwellings for a wider site) that fall within an 'Impact Risk Zone' of a SSSI will be required to give appropriate consideration to the impact from the development upon the integrity of the SSSI, including recreational impact. Where impacts are identified, appropriate mitigation measures will be sough and/or financial contribution to help mitigate identified impacts at the affected SSSI".

Please note your Representation should cover succinctly all the information, evidence and supporting Information necessary to support/justify the Representation and the suggested change, as there will not normally be a subsequent opportunity to make further Representations based on the original Representations at the Publication stage. After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for Examination.
