Your Ref Second Regulation 19  
Consultation  
Our Ref CRTR-POL-2023-39910

Monday 30 October 2023

Dear Matthew Norton,

Local Development Framework Plan Review –Second Publication Allocations Development Management  
Development Plan Document (ADMDDP) –Regulation 19 Consultation

Thank you for your various consultations on the DPD.

We are the charity who look after and bring to life 2000 miles of canals & rivers. Our waterways contribute to the health and wellbeing of local communities and economies, creating attractive and connected places to live, work, volunteer and spend leisure time. These historic, natural and cultural assets form part of the strategic and local green-blue infrastructure network, linking urban and rural communities as well as habitats. By caring for our waterways and promoting their use we believe we can improve the wellbeing of our nation. The Trust is a statutory consultee in the Development Management process.

We have previously provided comments on the first draft Regulation 19 ADMDDP, our representations at that stage were referenced as follows:

- 025/DM5a DM5b/S/0047
- 025/DM7/S/0048
- 025/DM9/S/0049

The Trust has reviewed the Second Publication documents, and we have no comment to make.

Please do not hesitate to contact me with any queries you may have.

Yours sincerely,

Richard Forbes MRTPI
