4. Do you consider the DPD to be LEGALLY COMPLIANT?

Yes

No

5. Do you consider the DPD to comply with the Duty-to-Cooperate?

Yes

No

6. Do you consider the DPD to be SOUND?

Yes

No

*The considerations in relation to the Legal Compliance, Duty to Cooperate and the DPD being 'Sound' are explained in the Newark & Sherwood Development Plan Document Representation Guidance Notes and in Paragraph 35 of National Planning Policy Framework 2021 (NPPF).

¹ The Integrated Impact Assessment (IIA) integrates Sustainability Appraisal (SA), Strategic Environmental Assessment (SEA), Equalities Impact Assessment (EqIA) and Health Impact Assessment (HIA). Sustainability Appraisals (SA) are a requirement of the Planning and Compulsory Purchase Act 2004 and Strategic Environmental Assessments (SEA) are required by European Directive EC/2001/42, which was transposed into UK law by the Environmental Assessment Regulations for Plans and Programmes (July 2004). The EqIA is a way of demonstrating the District Council is fulfilling the requirements of the Public Sector Equality Duty contained in section 149 of the Equality Act 2010. HIA is a recognised process for considering the health impacts of plans and undertaking this type of assessment is widely seen as best practice.

7. The DPD is not sound because it is not:

|-------------------------------------|-------------------------------------|
| (1) Positively Prepared | <input checked="" type="checkbox"/> |
| (2) Justified | <input checked="" type="checkbox"/> |
| (3) Effective | <input checked="" type="checkbox"/> |
| (4) Consistent with national policy | <input checked="" type="checkbox"/> |

8. Please provide precise details of why you believe the DPD is, or is not, legally compliant, sound or in compliance with the duty to cooperate in the box below.

If you wish to provide supplementary information to support your details, please ensure they are clearly referenced.

Proposing to amend policies in the Core Strategy through a review of the DPD raises concerns. The Core Strategy contains strategic policies which are not found in the Allocations and DM DPD. The consultation on the plan review is clearly badged as relating to the DPD; as such parties interested only in strategic policies in the Core Strategy may reasonably have chosen not to look at this DPD consultation. The proposed review of Core Policies 1 and 3, together with creating a new Core Policy 2A should have been taken forward as a limited scope review of the Core Strategy in line with paragraph 33 of the NPPF.

A Local Development Scheme is required under section 15 of the Planning and Compulsory Purchase Act 2004 (as amended). This must specify (among other matters) the development plan documents (i.e. local plans) which, when prepared, will comprise part of the development plan for the area. The Local Development Scheme must be made available publicly and kept up-to-date. It is important that local communities and interested parties can keep track of progress. Local planning authorities should publish their Local Development Scheme on their website.

The Local Development Scheme (November 2022) does not set out that in any way that the DPD Review will amend policies in the Amended Core Strategy. As such the DPD Review fails to comply with the provisions of the Local Development Scheme.

(Continue on a separate sheet/expand box if necessary)

9. Please set out what change(s) you consider necessary to make the DPD legally compliant or sound, having regard to the test you have identified at 6 above where this relates to soundness. You will need to say why this change will make the DPD legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The LDS should be amended and a limited scope review of the Amended Core Strategy should be undertaken covering the Core Policies in line with paragraph 33 of the NPPF

(Continue on a separate sheet/expand box if necessary)

Please note your Representation should cover succinctly all the information, evidence and supporting Information necessary to support/justify the Representation and the suggested change, as there will not normally be a subsequent opportunity to make further Representations based on the original Representations at the Publication stage. After this stage, further submissions will be only at the request

of the Inspector, based on the matters and issues he/she identifies for Examination.

10. If your Representation is seeking a change, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral Examination	Yes, I wish to participate at the oral Examination
<input type="checkbox"/>	<input checked="" type="checkbox"/>

11. If you wish to participate at the oral part of the Examination, please outline why you consider this to be necessary.

To exercise the legal right to be heard and to be able to fully explain our position.

(Continue on a separate sheet/expand box if necessary)

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the Examination.
