**Refer to updated Fluvial Modelling Map**

**Modelled Flood Outlines: River Trent (Tidal)**

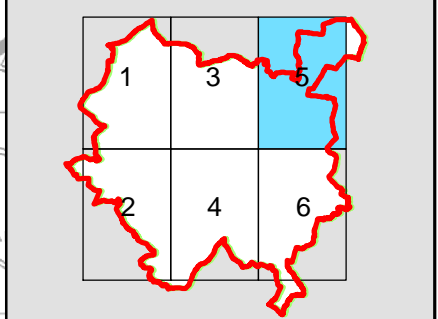

- 1 in 200 Year Flood Outline
- 1 in 1000 Year Flood Outline

**Newark and Sherwood District Council Boundary**

Please refer to section 4.8 of the SFRA for further details on the modelled flood outlines.

The River Greet model has been cut upstream of Upton Mill. Due to the complexities of interpreting the various sources of flooding downstream of this area, the EA outlines supersede the hydraulic modelling undertaken outside of the Trent Floodplain.
