Section One

Introduction

Introduction

This document has been prepared by the Planning Policy & Infrastructure Business Unit in accordance with Government guidance set out in the National Planning Policy Framework (NPPF) 2021. Paragraph 31 of the NPPF requires local authorities to ensure that *“The preparation and review of all policies should be underpinned by relevant and up-to-date evidence.”* The NPPG also requires local planning authorities to *“publish information at least annually that shows progress with local plan preparation, reports any activity relating to the duty to cooperate, any information collected which relates to indicators in the plan, and any policies which are not being implemented.”* (Paragraph 073, ID: 61-073-20190315).

The Amended Core Strategy was adopted in March 2019 and for the purposes of this monitoring report, the Amended Core Strategy and supporting evidence base has been used to monitor retail development.

Section Two of this report monitors the provision of retail and town centre floor space. In September 2020 the Use Class Order was updated and revoked Classes A1/A2/A3. These classes are now covered by Class E. Use Classes A4 & A5 now fall under SG. For the purposes of this monitoring report, the new Use Class Order has been used. The NPPF has also now dropped the requirement for primary and secondary shopping frontages, however we have retained these titles in this report to gain an understanding of what is happening to the individual areas. Throughout this report floorspace is provided as net, various checks have been carried out to identify the gross/net ratio of units, where it has not been possible to calculate, a ratio of 80% net has been used.

Section Three of this report specifically monitors the gain and loss of convenience and comparison floorspace in accordance with the requirements of the Newark and Sherwood Core Strategy DPD (Adopted March 2019) (p54, para 5.31).

Section Four of this report provides data for use class percentage in accordance with the criteria set out in Policy DM11: (Retail and Town Centre Uses) of the Allocations & Development Management DPD (Adopted July 2013). Surveys were carried out during August 2022. Comparisons have been made with previous Monitoring Reports. Location Plans are provided throughout Section Four of this report.

Retail Hierarchy

Core Policy 8 of the Adopted Core Strategy DPD (March 2019) sets out the Retail Hierarchy to be applied in the development of policies for retail and town centre uses and the determination of planning applications within the District.

Figure 1: Retail Hierarchy

Designation	Role & Function	Location
Regional Centre/Town Centre	Principal focus of new and enhanced retail and other main Town Centre uses (as defined in the NPPF) in Newark and Sherwood	Newark Town Centre
District Centres	Primarily used for convenience shopping, with some comparison shopping. They also provide a range of other services for the settlement and the surrounding communities.	Edwinstowe Ollerton Southwell
Local Centres	Principally concerned with the sale of food and other convenience goods, and the provision of services to the local community in which they are located.	Balderton (north and south), Bilsthorpe, Blidworth, Boughton, Clipstone, Collingham, Farnsfield, Fernwood Village Centre, Land South of Newark (NAP 2A) Land East of Newark (NAP 2B) Land at Fernwood (NAP 2C), Lowdham, Rainworth and Sutton on Trent*

*These centres have been defined as part of the Allocations and Development Management DPD (adopted July 2013) process and will be included on the updated Policies Map, (apart from the 3 strategic sites).

Amended Core Strategy DPD (Adopted March 2019)

The Amended Core Strategy was adopted in March 2019 and can be viewed at: <https://www.newark-sherwooddc.gov.uk/amendedcorestrategy/>

Core Policy 8 – Retail and Town Centres

Findings of the Town Centre and Retail Study 2016 undertaken by Carter Jonas on behalf of the District Council suggested that Rainworth District Centre has more of a local centre role and is possibly serving top-up shopping needs. As a result of this study, the Amended Core Strategy (2019) has downgraded the hierarchy status of Rainworth to 'Local Centre' which is principally concerned with the sale of food and other convenience goods, and the provision of services to the local community in which they are located.

Impact Assessment

To ensure that the impact from proposed retail development which is located outside of a defined centre and has a gross floorspace equalling or exceeding the levels of **400sqm (gross) -Newark Urban Area or 350sqm (gross) -Rest of the District** is robustly assessed through the undertaking of an impact assessment proportionate to the scale and type of retail floorspace proposed.

Convenience and Comparison Retail Floorspace Capacity

Figure 2 below sets out the proposed capacity for convenience and comparison floorspace over the plan period to 2033:

Figure 2: Amended Core Strategy (2019): Retail Floorspace Requirements

Section Three

Convenience and Comparison Data (01/04/2021 to 31/03/2022)

Convenience and Comparison Requirement Information

The Amended Core Strategy (2019) and supporting evidence base has been used to monitor retail development. Retail provision will be monitored against Table 4 in the Amended Core Strategy.

Carter Jonas conducted a Town Centre and Retail Study in December 2016 to support the 2019 Amended Core Strategy evidence base. Figure 15 below sets out the proposed capacity for convenience and comparison floorspace over the plan period to 2033.

Figure 15: Retail Convenience and Comparison Goods Capacity by End of Plan Period (2033)

Total Estimated Requirement	5,624	1,286	676	141	7,726

Data on pages 19 to 22 details commitments, completions, change of use and losses of net convenience and comparison retail floorspace for the period 01/04/2021 to 31/03/2022. Floorspace is provided as net, various checks have been carried out to identify the gross/net ratio of units, where it has not been possible to calculate, a ratio of 80% net has been used.

In line with the Core Strategy, information is provided by plan area, identifying whether it falls within Newark Urban Area or the rest of the District to show whether targets are being met.

Section Four

Survey Data

(Carried out August 2022)

Retail surveys were carried out during August 2022 for the Newark and Sherwood District Council Retail Hierarchy as detailed in Core Policy 8 of the Amended Core Strategy (Adopted March 2019). In addition to areas within the Retail Hierarchy, survey work was also carried out for Northgate Retail Park.

Section Four of this document provides data for use class percentage in accordance with the criteria set out in Policy DM11: (Retail and Town Centre Uses) of the Allocations & Development Management DPD (Adopted July 2013).

Data for vacant retail units and net square metres of available floor space is also provided.

The Amended Core Strategy identifies Sutton-on-Trent, Land South of Newark (as set out in Policy NAP2A), and Land East of Newark (as set out in Policy NAP2B) as designated Local Centres. As yet no retail development has taken place in Land South of Newark or Land East of Newark. However Sutton on Trent has an existing retail presence which is currently spread throughout the village. Proposals are intended to define a more central retail location for Sutton on Trent.

Location maps are provided in the Appendix showing the retail hierarchy areas. Where appropriate, areas have been divided into North and South. Land at Fernwood (as set out in Policy NAP 2C) has only recently been developed and as such the configured defined retail area has not been finalised.

Key for Retail Area Plans

Newark Town Centre

Core Policy 8 of the Newark and Sherwood Amended Core Strategy DPD (Adopted March 2019) identifies Newark Town Centre as the districts designated Regional Centre/Town Centre, and as such its role and function is to be the principal focus of new and enhanced retail and other town centre uses.

Extract from Policy NAP 1 of the Amended Core Strategy specifically deals with this area and in relation to Newark Town Centre (Paragraph D) states to promote Newark Town Centre as a competitive and healthy town centre which is host to an appropriate composition of main town centre uses through:

- i. Managing retail and other main town centre use development in line with Core Policy 8 and Policy DM11;
- ii. Seeking to address the shortage within the town centre of larger format units which meet the requirements of modern retail and office uses;
- iii. Promoting the re-use of vacant and underused shops and other buildings within the town centre, and securing the redevelopment of vacant sites for appropriate main town centre uses;
- iv. Supporting the continuation of a viable Newark market;
- v. Promoting Newark town centre as a key tourism and leisure destination including expansion of restaurant and café uses around the Market Place.

Retail proposals in this area would be assessed by reference to **Policy DM11– Newark** (Allocations & Development Management DPD (Adopted July 2013)).

‘New and enhanced retail development and other town centre uses that consolidate the composition of the town centre will be supported within the Town Centre Boundary, as defined on the proposals map.

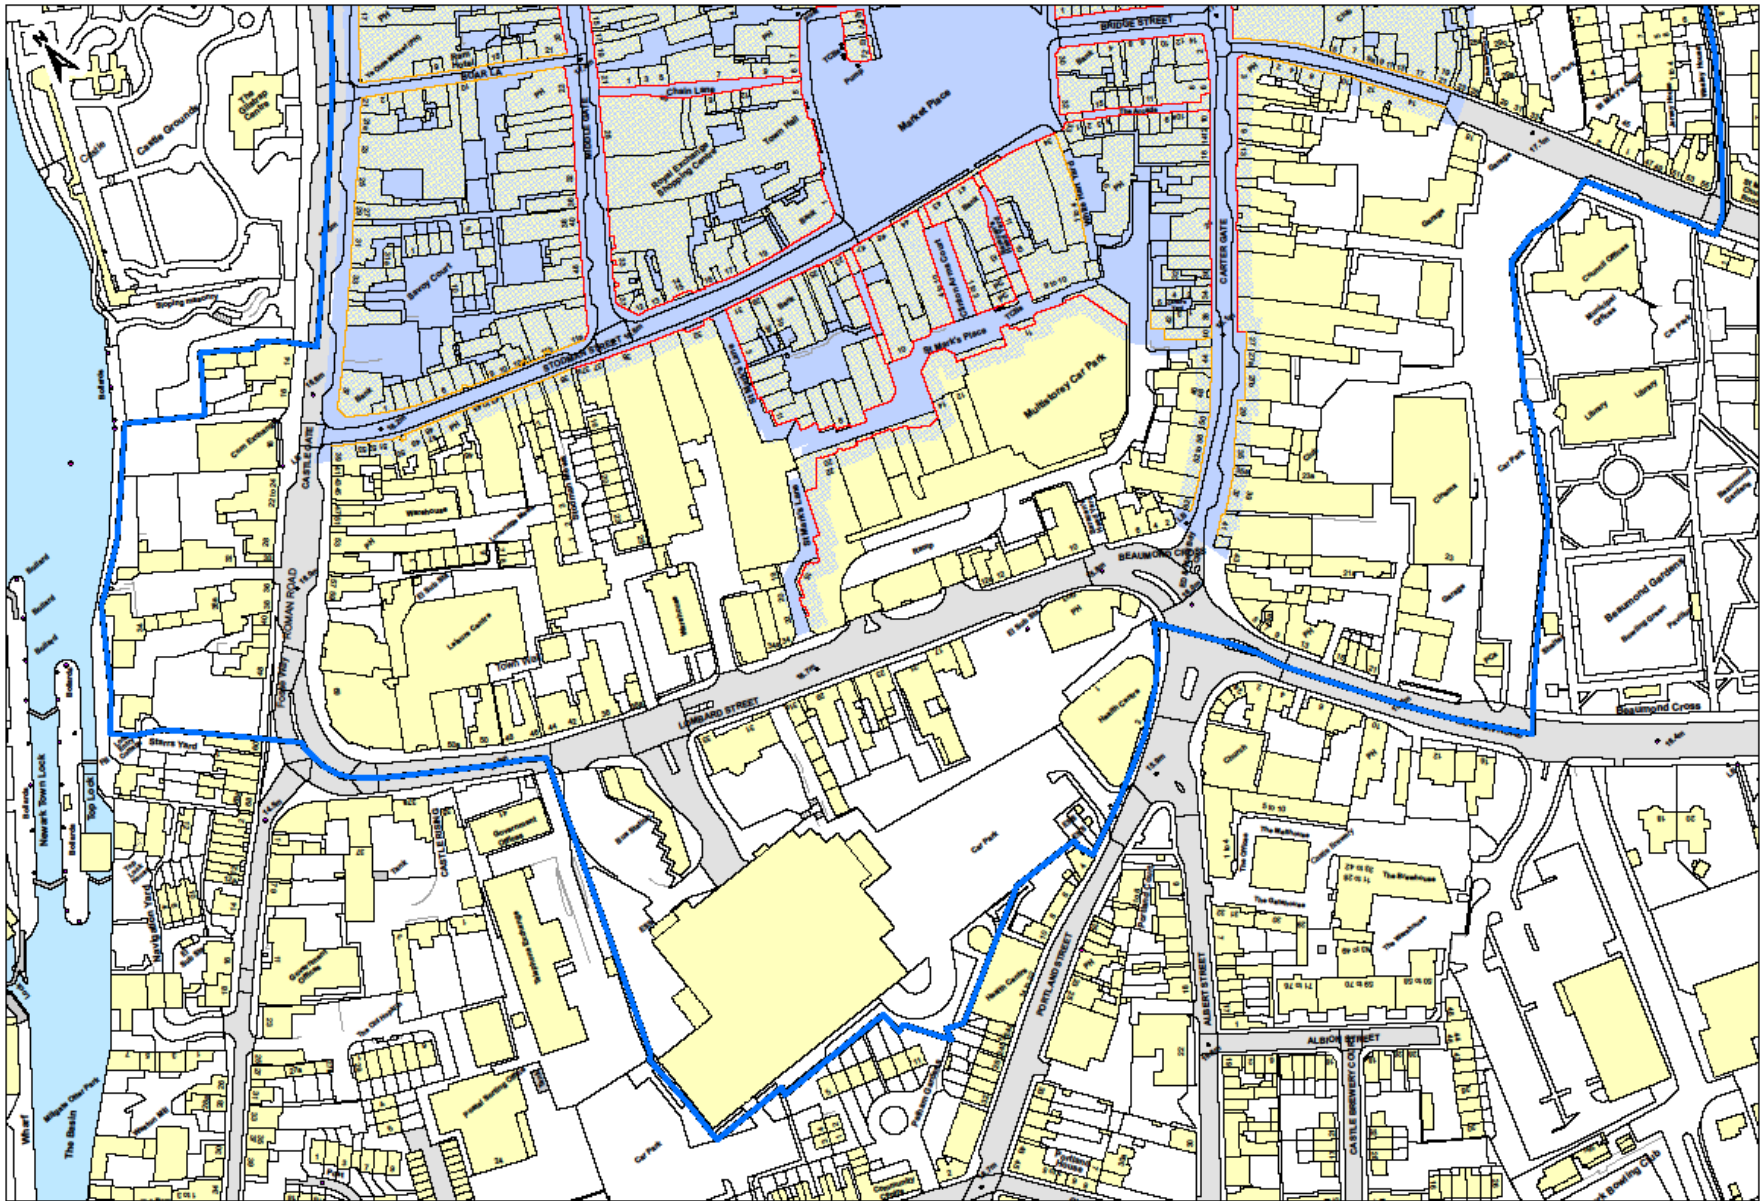

Proposals for non retail uses at street level within the Primary Shopping Frontages, as defined on the proposals map, will not be supported unless they can demonstrate a positive contribution to the vitality and viability of the town centre.

The Council will support a greater diversity of town centre uses that contribute to the overall vitality and viability of the town centre within the Secondary Shop Frontages, as defined on the proposals map, providing that there is no overall dominant use other than retail (A1). Within the lower part of Stodman Street and along Castle Gate, the Council will not resist a dominance of restaurant and cafe (A3) uses.’

*Other specific policies may apply in relation to Conservation Areas and Listed Buildings

District Centres

Core Policy 8 of the Newark and Sherwood Amended Core Strategy DPD (Adopted March 2019) identifies Edwinstowe, Ollerton and Southwell as the designated District Centres as such their role and function is primarily for convenience shopping, with some comparison shopping and they also provide a range of other services for the settlement and surrounding communities.

Extract from -Policy ShAP 2 of the Amended Core Strategy - Role of Ollerton & Boughton, specifies *'The Local Development Framework seeks to promote and strengthen the role of the Service Centre of Ollerton & Boughton as a sustainable settlement for its residents and the wider Sherwood Area.'* In relation to retail the District Council will work with partners to strengthen the role of Ollerton Town Centre by:

- *Managing retail and other main town centre use development;*
- *Seeking to improve comparison retail representation within the town centre, promoting a healthier balance between convenience and comparison retail uses;*
- *Supporting the opportunities to deliver additional leisure uses within the Town Centre, particularly those falling within A3... and A4... use classes;*
- *Promoting the re-use of vacant and underused shops and other buildings.. And securing the redevelopment of vacant sites for appropriate main town centre uses.*

Extract from -Policy SoAP 1 of the Amended Core Strategy - Role and Setting of Southwell specifies *'Promote Southwell's role as a Service Centre for the town and the surrounding area, protecting and enhancing the existing historic environment which makes the town centre attractive to residents and visitors'.* In order to achieve this (In relation to retail) the District Council and its partners will seek to:

- *Encourage the retention of existing, and development of new community facilities;*
- *Encourage the development of new business;*
- *Promote a competitive and healthy Town Centre which is host to an appropriate composition of main town centre uses;*
- *Promoting the re-use of vacant and underused shops and other buildings within the town centre and securing the redevelopment of vacant sites for appropriate main town centre uses;*
- *Deliver additional leisure uses within the Town Centre;*
- *Protect and enhance the historic character of Southwell Conservation Area.*

Extract from – Policy MFAP-1 of the Amended Core Strategy specifies *‘The Core Strategy seeks to promote the Service Centres of Rainworth and Clipstone as sustainable settlements for their residents, promoting the provision of new community infrastructure appropriate to their size.’*

Retail proposals in the District Centres (Edwinstowe, Rainworth, Ollerton and Southwell) would be assessed by reference to Policy DM11 of the Allocations and Development Management DPD (Adopted June 2012) *‘New and enhanced retail development and other town centre uses that are consistent with the size and function of the town centre and maintain and enhance its role will be supported within the District Centres, as defined on the proposals map. Proposals for non retail uses within Primary Shopping Frontages, where defined on the proposals map, will be resisted unless they can demonstrate a positive contribution to the vitality and viability of the District centres’.*

Other specific policies may apply in relation to conservation areas and listed buildings.
