Good afternoon,

I hope this email finds you well.

Thank you for consulting the NCC policy team on the amended plans for this solar farm and battery station at Land north of Holloughton. I can advise that at this time, the County Council does not have any strategic policy comments to make on the amended plans. However, if there is a specific issue you do wish for us to consider and provide comments on, please do let me know as soon as possible.

Many thanks,

Emma Brook
