No members of the public were present.

0587 **Planning Applications**

The following planning applications were considered and approved subject to any comments detailed below:

21/02499/HOUSE	Single storey rear and side extension	19 Centenary Close
21/02524/FUL	Erect 2 new silos within a building	Jericho Works Bowbridge Lane

The following planning applications were considered and objected to with the following comments:

21/02526/FUL Remove garage, build 2 semi-detached houses Land rear of 32 Smith St  
Members considered that there is insufficient off-road parking provision with the scheme and the additional vehicles will add to the existing parking problems in the vicinity. The proposal was also considered to be out of character as the adjoining back gardens in that row of properties are all open, looking onto Coronation Street.

21/02547/FUL Demolish garage, construct bungalow Nampara 30 Spring Lane  
The scheme is considered to be out of keeping with the surrounding area and properties; the proposed property would be squeezed into the corner. Members also expressed concerns that the property would be in very close proximity to the A1 trunk road, making inhabitants subject to considerable traffic fumes.
