RE: ECO Government Scheme 2019

Reference Number: ES19ECO

## **Important: You have not claimed your Free ECO Government Funding**

ECO Government Funding is still available to claim at your property.

**You can register your property today by speaking to a funding advisor, takes a few seconds.** If funding is unclaimed it will be allocated to other properties.

Our energy department has secured access to **NEW Free Funding** under the ECO Government Scheme, to help improve the energy efficiency of your home, lower the cost of energy bills and meet ECO targets.

Funding is **available for your property now**, as, based on the EPC records, your property is:

✓ **USING GAS** ✓ **DETACHED** ✓ **SOLID CONSTRUCTION**

Funding is **still available to claim for your property now.**

**Call 0115 727 0467** please speak to a funding advisor today.

Did you know our average **Detached Gas** qualifying property is being awarded **£6,000 - £8,000** to use on upgrading to more energy efficient measures?  
100% fully funding the new products, with no cost.

We are now helping properties in the **Nottinghamshire** area access the **Free Funding** which can be used for the following measures, if applicable based on property type:

**Free Boiler Replacement, Underfloor Insulation, Internal Wall Insulation, Loft Insulation, Draught proofing, Solar Installation, Doors, Double Glazing, and more.**

Funding is in high demand and allocated on a first-come first-served basis, dependent on certain criteria. If claimed, you will be able to use the free funding for a range of necessary improvements.

Call today to secure your **Free ECO Funding** and find out which measures are available to you.
